Additional comments

Professor Cuddington always goes above and beyond to inspire us to create new types of work, push our artistic boundaries, and experiment with new materials. This class was no exception. I especially enjoyed the chance to collaborate with my classmates. I would recommend this class to any art major, and hope that the course is run again so that other students have the opportunity to take it as well!

Amazing course and professor. I do wish though that it was longer rather than an hour.
