### Additional comments

This course was weird because it was difficult to create the materials for the senior showcase when we have not started actually making the pieces for the showcase yet. I think it was good for us to get our ideas out and work with those concepts, but perhaps in the future we could make materials like postcards/business cards/posters for a fictional exhibition for practice instead.

I wish we got more help on certain assignments. For example, the posters because some of us was clueless due to not taking a Graphic Art class. It would be helpful to show the steps.
